Terms and Conditions

1. Scope of Customizations: No Customizations Beyond Agreement: No customizations will be approved outside of the scope detailed in the Proposal or Agreement papers. Any changes or additions requested after signing the proposal will require a new agreement, and extra costs will be incurred. Additional Customizations: If additional customizations or changes are necessary, these will be evaluated separately and will incur extra charges based on the complexity and scope of the changes. Additionally, the project's delivery date may be extended due to the new requirements. A revised timeline and updated pricing will be provided after a review of the requested changes.

2. Payment Terms and Procedure: Advance Payment: A 40% advance payment is required before the commencement of the project. No work will begin until this payment is received.

Checkup and Delivery Payment: An additional 30% payment is due upon completion of the project's checkup phase and confirmation of the agreed delivery date. This payment is required before the final product is delivered to the client.

Final Payment: The remaining 30% payment due within 2 days after the checkup and revisions. The project will not be considered complete until this final payment is received, and authorship will be transferred to the client only after the final payment has been cleared. Failure to pay within this timeframe may result in a delay or suspension of services.

3. Termination and Cancellation: Termination by Client: The client may terminate the project with written notice. If the project is terminated, the client will be responsible for payment for work completed up to the termination date. Termination by Sherazi IT: Sherazi IT reserves the right to terminate the project if the client fails to make payments as agreed or breaches any terms of the agreement. Refunds: Refunds are not provided for work already completed, but the client may request a review or revision as per the terms outlined above.

4. Software Costs and Payments: Monthly/Yearly Software Costs: If any software purchased from Sherazi IT has associated monthly or yearly fees (e.g., for licenses, server, updates, or hosting), the client is required to make payments before the expiration date of the current period. Failure to make timely payments will result in suspension or termination of the software services until the payments are made. Renewals: Clients make ensure payments are made on time for renewals. In the case of non-payment, the client risks service disruption, and Sherazi IT reserves the right to temporarily or permanently suspend services until outstanding payments are cleared.

5. Delays: Any delay caused by the client, such as delays in providing feedback, approvals, or necessary materials, will extend the project timeline accordingly. The client agrees to keep to the agreed-upon milestones to ensure timely delivery.

6. Confidentiality and Data Protection: Sherazi IT will maintain the confidentiality of all Confidential information provided by the client during the course of the project. This includes but is not limited to sensitive business data, client records, and proprietary information. Data Security: Sherazi IT will take all reasonable precautions to protect the client's data, including the use of encryption and secure systems. However, the client is also responsible for ensuring their systems and data are protected after the project is delivered.

7. Support and Maintenance: Free 20 Years of Support: Customers are entitled to free support for 20 years for all work completed by Sherazi IT. This support covers minor issues, bug fixes updates as per the original agreement. Unlimited Lifetime Online Support: All customers are entitled to unlimited lifetime online support for any issues or inquiries related to the delivered work. This online support includes guidance, troubleshooting, and assistance through email, chat, or phone as needed.

Important Note: Please collect the paid invoice, As a confirmation of this agreement and keep it safe with this paper.
